

## findaloo Pitch:

Imagine this: Last night was sheer bliss, having had a hearty dinner of Jolibee's Chickenjoy, 3 pieces, no less, and the fiery intensity of spice in the deliciously marinated and perfectly fried chicken warmed the cockles of your heart. But today, you're at Starbucks studying for your upcoming midterms, and you can feel a storm brewing... This can only mean one thing:

### **It's gonna burn.**

Filled with dread, your mind dashes around, thinking of ways to relieve yourself. "Aha! All I need is to find a washroom with a bidet to relieve myself of the burning sensation." I hear you say. But wait... where can you find one?

Or maybe you're a mom of twins. Pushing them around in a pram, you hear an unflattering squelch come from one of them. A pungent, but distinct aroma arises soon after, and soon enough, he starts crying. You think to yourself in dread, knowing exactly what just happened: where's the nearest nursing room?

Or maybe you're a nimble, agile wheelchair user, and you just wheeled up to the nearest restroom in the mall. You're all ready to relieve yourself, when sudden dread fills you... there aren't any handicap-accessible stalls.

No fear, because *findaloo* is here! Easily browse through the toilets located around you, grouped by the buildings they're in, all on a convenient map view. At a glance, find the nearest toilets from you, see if they're free to use, check if washrooms for both genders are available, and ensure that they're handicap-ready.

Need more than that? Seat bidets, handheld bidets, hand dryers, toilet paper, seat cleaner, heated showers, hand soap, or even baby change stations. We'll tell you.

Or maybe all you want is to find a nice throne to sit on to finish your *unfinished business*. Not a problem! Click on the toilets around you to quickly and easily see their certification details, their photos and how many stars they've been awarded! (data provided by Restroom Association of Singapore, [toilet.org.sg](http://toilet.org.sg)).

Unhappy with your experience? Leave a review, relieve yourself of your frustration too, all while helping your fellow toileteers! Have something to complain about? Use our report button to quickly report faults, and let the various building managements know!

No matter who you might be, dirty, smelly toilets are never a pleasant experience. However, with *findaloo*, all this can be a thing of the past. *findaloo* thus appeals to

everyone, as we are all created equal in our need to take a trip to the loo everyday. Nevertheless, specific audiences for *findaloo* include parents, who need nursing facilities for their children, as well as certain crowds, such as full-time drivers, who are on the road for long periods of time, and may not be able to find a loo to use.

The average human spends almost two hours a week on the toilet. It doesn't always have to stink. Let's make those two hours an enjoyable and pleasant one together.

Access *findaloo* today by simply going to [findaloo.netlify.app](https://findaloo.netlify.app), no installation needed! What's more, it's free, and no login is required to browse the toilets! You can even add us to your home screen for easy and quick access! Well, what are you waiting for?
